

105-H.S. - It's the Theistic Mode that does it naturally to me. Leary - I + took me 3 years to be able to say "God"

BLAKE QUOTE - if the doors of perception were cleansed

Vii A. Huxley Quote - an interlude of non survival oriented consciousness

A. Hoffman on LSD the agent of change - reductionism \rightarrow oneness w/ creation

Xvi Hoffman loved Bob Ho. Smith on results of his entheogenic work - "Forgotten Truth" - experienced the "Great Chain of Being"

6 - meditation for 20yrs - primary spiritual practice Disappointing?
Like Huxley/Smith was a poor visualizer

11 Bergson's notion - Brain as a reducing valve

12 1960 - New Years Day Trip with Tim/Said - "Tim I hope you know what you're playing around with here - Not all fun - Terror, paradox"

13 - Child raising and psychedelics - "we drove back to our incomparable, never-more-precious, children - sleeping like the world was as it had always been."

12 - Visuals? - importantly abstract Light such as new women

Space? Not like 3 or 4 dimensions - more like 12

15 - For years following initiation entheogens were center of reflective + social life
Chemicals - replacing angels as divine intermediaries - how plants

An Ad hoc Church emerged from the Harvard Project.

Knowing it was impossible to know "reality" without taking

these revelations into consideration

18/19 Idea that intoxicating "Entero" experiences initiated the major elements of religion \otimes MARY BARBARA - have explosive effect on largely dormant mind of men. Think of new things

22 Psychedelic (macro) Statistics - $\frac{1}{3}$ - $\frac{1}{4}$ of general pop will have rel. religious experience with entheogens. $\frac{3}{4}$ of very rel. people.

23 Descriptively - Entero rel. experiences indistinguishable from natural ones.

It is a fact that substances trigger religious experiences

25 Why do people reject evidence - They find it threatening

Implication - religious disclosures are no more true than psychotic break - understood Religion on the model of a neurotic symptom

26 Entero/rel. experiences "come up w/ the same basic claims about reality that religions always do."

27 Wasson Quote on Ecstasy \otimes

Psychedelic Statistics - 50-60% No problems to extent of 75% or at least some exultation, rapture

Canus - If I were a cat - I would belong to this world.

30 Drugs can produce religious experiences - it's less evident than can produce religious lives - experiences must be linked to discipline - ?/theology?

31 The "religion of the religious experience" is a snare and delusion

31 Key entire Church Founding Discussion Re!net based on substance/experience - but on Faith & Ethos/discipline.
32 - Paul Tillich on - The lost dimension (Rel. awe)
• Rel. can't be equated with rel. experiences But neither can it long survive its absence" ~~or so~~

33 Need Clear Distinction between rel. experiences and the rel. life
34 Last of Clinical use of LSD with Alcoholics, Law Breakers, neurotics, terminal cancer patients.

35 Must have CONVICTION the psychedelic insights are true
36 Entheogens can provide (3) Ego Transcendence 2) Dissolution of the subject/object dichotomy 3) Peace That Passeth Understanding

37 - 3 other features working Against success of Entheo Church
1) Flawed Social Program
38 Third Path - Not Apocalyptic or Revolutionary - Utopian - create pockets

51 WASSON - Great Mushroom Narrative - Perfect

46 - Alfred North Whitehead - Vedanta metaphysics is the most advanced
- From Vedas - & Vedas derive, more than anything, from soma
47 - Mary Barnard again - immortality etc. came from the Soma wine? Which is more likely... - bring awe & reverence

48 Algonquians of Quebec - They go to heaven eat mushrooms. love
Outrageous - This prodigious miracle - called a mere drug.
50 Wasson - High Sch. dropout, taught Columbia, V.P. at J.P. Morgan

56 - Greatest SOMA Hymns become immortal, arrived at the light, found the gods.
57 - Piss Drinkers - Human metabolism reduces nausea ingredient, the entheogen passes thru. - 4 times

62 - SOMA - was deliberately suppressed? (or out of territory?)
66 After Science, Rationality - 4 problems / mysteries

69 Modernity (alone) sees man as ascending from the interior
All Other Cultures - people see themselves descended from gods.

70 India - State of Dreamless Sleep - is awareness and bliss. They Dig dreamless sleep
71 Come out of Anesthesia with Fantastic teasing

72 - The Sacred Unconscious? - Peel back layers - Remove all that separates subject from object - Self from World. Fully Realized
HUMAN - is one whose doors of perception have been cleansed.
-> Avoids the 3 poisons

The WORD - No that's part of the plot (too not - to real) Buddhist too - most sacred
scriptures are on unwritten pages.
73 Agreed. w/ Berry, Chopra on Numinous is the word - The fully realized
person - lives in unvarying presence of the numinous / implies self / immortality

INCRAILITY - sin - acedia - laziness in Rel matters.
Happiness enters as a by product - What matters is resolve

78 - Only the slightest barrier separates us from the Sacred Unconscious
Entheogens - hold possibility of opening the doors of perception to the Sacred Unconscious.

80 Know 10 things - Tell 9 - Keep deep mysteries for the initiated.

Stanislav Grot - 2500 Full LSD Therapy sessions
No universal reaction to it. Huge Difference in Reaction - even with same subject.

82 Grot - LSD - unrivaled for All 3 areas of therapy
as telescope for astronomer, microscope for scientist
1) identify cause of psychopathology 2) personality diagnosis
3) Understanding the human mind and self

⊛ The serpent? - yaweh sez DONT eat apples
have deep understanding. / Rel. / culture war
- The nature of man is central to our study.

Wow - Grot - finds 3 levels 1) Psychodynamic (personal) stage (quest unity)
2) Death/Suffering Rebirth, Ecstasy - Profound religious/mystical experiences

The most hardcore cynics, Marxists etc. became interested in spiritual search after they saw these levels.

3) The Transpersonal - even by Stage II "operating in a frame-work that was beyond personal death" - cosmic
81 - Grot - later stages of LSD experience correspond to birth process.

93 ENTHEO RESULTS - Results forced me to break with old systems

⊛ ARTICLE and frameworks. - god encountered is single and so far removed from anthropocentrism - it is it

94 - He then off whole glamor image of man that is the psychoanalytic view of man. YES - Stage 1 has all this stuff but when you get deeper man is fundamentally in harmony and governed intrinsically by high and universal values!! ☆

☆ KEY VALUE of ENTHEOREL - Whole change in image of core human nature.
- go back thru childhood (Freud) thru Birth/Rank) to pre birth harmony
proved by entheogenic evidence.

96 - Now have nearly complete separation from nature/sacred unconscious
Need Now - something radical to break thru.
Grot's patients idea - This world is only one experiential world of the universal mind - Not the standard materialist reality/human mind centered center

99 The Good Friday Experiment.

102 - one can nearly always "snap back to normal" if necessary

109 - Disease, starvation, exhaustion, may open man to the supernatural earlier than mushrooms
- Cardinal John Henry Newman - entheogenic disease enabled transformation.

113 Elusianian Mysteries + Neo American Church

→ regularly opened a door in the human psycheinged to enter.
UR Gent Need - To Develop something like Elusianian M-

⑧ "to get us out into the light of Day" - Must legitimize tribes
life giving uses of the entheogenic heaven and hell drugs -
without adversing drug problem.

116 Entheo / transformation of humans - We have respect, +
honor, and compassion - the attitude comes thru our secret
herb - we call it our medicine Medicine Arrow

THE DOORS OF PERCEPTION INDIANS

We call it sacred because it is, in fact, divine.
117 - I will be 94 yrs old. I would die for this medicine, it has
meant so much to my life - good thoughts,
118 - "gets the bad stuff out of you" purify you clean your spirit.
A Washoe - The medicine is the main thing of all It's our life. Nothing
else can accomplish much without the herb the creator gave us.
"Before I did not think much about what was right. Now I
know some thing holy. This real knack of
good evil is what Yahweh holds back, defines as evil - so we
can make the earth animals submit as we subdue dominate
Entheo - returns man to real image of god & shows the deepest parts of
human nature, when connects with sacred unconscious, it is good,
deeply exultant, humble, caring, respectful

119 - When you eat it your mind returns to the great spirit.
I know what I should be doing and shouldn't be doing.
120 - This medicine got hope in it
+ MORALITY - no need to fight or be angry
121 - 96 yr old taking the medicine since before I was born wow
124 I became pure and clean in the sight of god
I became deeply affected to the brother & sister I had wanted to kill.
129 - Bill Wilson founder of AA - counted his entheo experience as equal
to the conviction that got him to start AA.
130 - Why will he not repeat it? - I am afraid of the entheogens?

Had I not been burned by the totally real, I would still be seeking
130 OR Alan Watts - when you get the message hang up the phone
133/ Set / Setting Poem "It is the set of the sail and not the gale, that
determines the way she goes.
133 Closing - Basic message of the entheogens of another
reality that puts this one "in the shade" IS TRUE
Now it can't be accepted, but it is the old thinking & psychology
that has to go.

137 - object of mysticism is not altered states but altered
traits.

R

See, over next page

36 - The "Oceanic Feeling"

157 Aborigines have telepathic powers

- like Geronimo - Crazy Horse.

Justice
Branches - A single innovative state can be
a laboratory.

If the doors of perception were cleansed, everything
would appear to man as it is, infinite.

- William Blake

THE UNIVERSITY OF CHICAGO
A DIVISION OF
UNIVERSITY PRESS
NEW YORK

157 Aboriginals (Aust.) have telepathic powers

- we all did - its normal - They atrophy.

Para normal powers exist - don't get caught up in them

Mayans call shamans spirit lawyers

They intercede - "don't associate sanctity
w/ shamans"
