Reagan Years supply 1980 40 m. ton. 1986 140 m. ton
price \$50,000 to \$14,000
Fed. Enforcement 645 mil to 4 billion

189 - Not Just Failed to work - Made Things Worse

192 - Bail? Amendment

By Law - created the presumption of danger - No Bail - for 10 yr crimes - Very demoralizing & prevents preparation to defend oneself.

192 Court Judges "Notwithstanding the independence of the Judicial Branch, The courts have, in effect, joined the war on Drugs/so "Crack down mentality - Not only political But - Madison in the "least dangerous branch" as well.

197 End Justifies means - We are much less free

DRUG LEGALIZATION

For and Against

we mock Repression of joy

How dare Bennett talk about Founding Fathers wouldnt want citizens in drug induced haze.

Mr B. 226 "Drugs are a threat to the life of the mind" (What ~~would he~~ know about that). Learned institutions should regard drugs as the plague

NO - learned institutions should regard punish hungry people who are trying to coerce intellectuals as to how to think. - regard as the plague

227 Const. ^{Bennett} liberties threatened by drug policy. NO liberty defenders sleep easily. Drugs themselves put const. liberties in jeopardy since they "everyday scratch the earth of our common freedom"

228 Bennett If you don't love drug war (intellectuals) betray self declared mission as bearers of society's conscience by legalizing.

Must fight murders mayhem in city streets.

54 Bennett Legalization? The potential costs of legalizing drugs are so large as to make it a public policy disaster.

227 No threat from Drug Policy - The traditions of our constitution can sleep easily - in danger from drugs themselves - Scratch earth of common freedom? what?

227 Drug Education & Treatment need Law
enforcement. And that's why our strategy calls
for a bigger criminal justice system - As a form
of prevention
