Dear Barb

Enclosed is \$365.50 for 17 people to travel to New York on Friday April 14 and return Saturday evening April 15. Would you please advise us of the points of departure and the times of departure from Detroit and from New York. Times are very important to us since we are in the middle of finals.

Please make it clear how we are to get our tickets and our places on the train. Do the receipts serve as tickets or are they to be turned in for tickets. I would very much appreciate the promptest reply possible although I realize you must be under tremendous pressure. An extra dollar is enclosed so you can send your letter special delivery.

thank you very much
