

When? 1970?

1/10 White Panther McLuhan ~~Project~~ Ideas

ANON

~~we~~ ^{should}

revolutionary American young people ^{beautiful}
people go to North Vietnam (Hanoi - maybe
close to D.M.Z.) and broadcast music

and news. The idea came from reading
the ~~article~~ Tim Leary Beyond and Weather
statements. What if Timothy and Bernadine

maybe
Eldridge Cleaver

got 10,000 ^{and Angela Davis} watts ~~from the~~ government of
North Vietnam & started pumping heavy rock and
roll and black music & all kinds of music out

mother country
pro oppression

into the ~~brains~~ transistor radios and brains
of ~~the~~ G.I.'s. Tell the G.I.'s about Thiers and
Kuy who their friends ~~had~~ died for. Tell them
about the ^{mother country} oppression and plastic banality ~~that~~

~~that waits~~ to either starve them or turn them into a
robot when they return. Keep track of marijuana
quality and prices. Give some specifics ^{what or} on how Vietnam

training and hardware ~~might~~ benefit the struggle
at home. Most importantly - play very long stretches
of very good ~~music~~ music. ~~Label the~~

~~Build up a communications~~ Build up a communications
networks with dissident

G.I.'s. Expose the realities of the whole "allied"
pig death force in Vietnam & elsewhere.

~~Let's~~ If the life forces of the cosmos
are to have any hope of ^{success} ~~the~~ struggle they must
devise incredibly creative ways of using media and all
other technology they can get their hands on ~~to~~ to further

lot about us. ^{Big Brother} By such a gross intrusion ~~they~~
~~loss~~ of privacy they have declared themselves the
enemy of Young People. We should learn to know
our enemy.
