Seven Point Peace Proposal of the Provisional Revolutionary Government of South Vietnam

The PRG Seven Point Plan was first presented in Paris as long ago as July, 1971. The two central points are: 1.) regarding the military situation: the U.S. must set a date for the total withdrawal of all U.S. troops, military personnel, weapons and war materiel, and those of its allies. 2.) regarding the political situation in South Vietnam: the U.S. must end its intervention in the internal affairs of South Vietnam and stop backing the regime of Nguyen Van Thieu.
