Hello Charles,

Yes, it's good news!! We are confirmed and Steve appreciates your invitation for your event on April 7th.

Next step: Please contact Gigi DeGuzman who is Steve's Executive Assistant and copied on this e mail for business travel requirements, ground transportation, lodging and logistics. Her number is 510.207.9868. She'll let you know what she needs to make this happen, and the more details and timeline the better. E mailing Gigi is the best way to start!!

Also, just in case I did not send it before, please find Steve's bio and approved photo for your event. **Attached!**

As I like to track all media coverage on him, who is handling publicity for the event? Please advise and thanks!

Hi Gaynell

The owner of Arborside, (I am the President), Rhory Gould, called me last night and was very happy that he had information that it was going to be possible for Steve to be the headliner for the Hash Bash.

I am in Negril, Jamaica right now and will be back in Michigan Sunday (we have a long meeting this Sunday about what to do about the changes the legislature wants to make in our law).

If this is indeed true I think we can make it historically important. Please let me know Steve's requirements (including what he would like to eat and drink during the transportation to his hotel when he arrives.

(He is welcome to stay in our guest room...and it might be a more relaxed atmosphere).

This is very exciting if true. Please let me know and I will get to work right away on preparations, THANKS , Chick Ream

Hello Chuck -

Thanks so much for your invitation to Steve. I'll certainly inquire about his availability.

We know you all are doing great work in Michigan.
Give us some time to
get
back to you as he's just returned from his holiday
and is quite backed up
in requests.

My friends,

I have been assigned to try to get Steve DeAngelo to speak at the 41st incarnation of the Ann Arbor Hash Bash, which will start at high noon on April 7.

We are fighting very hard in Michigan to implement our new (2008) Medical Marijuana law. Our sicko attorney general, Bill Schuette, has shut down nearly all Michigan dispensaries - but Ann Arbor, Ypsilanti, and cities in the Flint area are going right ahead and licensing dispensaries.

I taught kindergarten for 33 years, then "retired" to finance and run the medical marijuana campaign in Ann Arbor in 2004 - which won with 74% in favor.. We have a zoning and a licensing ordinance in Ann Arbor for

Medical Marijuana businesses and our official Ann Arbor Medical Marijuana Licensing committee has just recommended 10 dispensaries for licenses.

The first license to be approved was for Arborside (Which I am the president of but do not own).

Steve is clearly a historically important leader in the struggles for cannabis and human rights. It would be very deeply impressive (to both our

friends and our enemies) if Steve would come and inspire us and instruct us here in Michigan.

Possibly on Saturday evening or Sunday morning Steve could speak to the members of the Ann Arbor Medical Cannabis Guild about "best practices" for

dispensaries(most dispensaries in town are members of "The Guild"... of which I am the secretary). Possibly the costs can be split between the

Hash

Bash and the Guild.

I have been told that Steve may require first class travel.

I know Steve is very busy BUT WE NEED HIS LEADERSHIP AND INSIGHTS IN MICHIGAN!

I WILL CALL YOU LATER TODAY, PLEASE FIND OUT IF STEVE WANTS TO AND IS ABLE

TO BE THE FEATURED SPEAKER AT HASH BASH #41.

IT WOULD BE A GREAT HONOR IF STEVE WOULD BRING HIS BRILLIANCE TO MICHIGAN!

Thank You for your prompt attention,
Chuck Ream 734-395-0811
