

- 6 The Money - Lifetime | punishments for a pot arrest.  
 10 - only Dealers go to Jail? - His list of Exceptions  
 - See what he felt the first time he smoked.  
 - Prohibition destroys basic institutions - look at his own - Family, Schooling  
 10 Racism - stats 1/3 chance  
 11 - Cannabis doesn't cause addiction - But the illegal market does  
 11 - They (stats) DO specifically go after young people - Minority youth - with denial of college aid.  
 12 - In world market - we all lose - Nobody gains - ? Nobody??  
 creation of a permanent underclass by the  
 12 Drug Testing - they drive people to the most dangerous drugs since the safe one remains over 30 days - to be tested & found  
 12 Employee Drug testing - (Almost unknown in Silicon Valley since they need the most creative and talented - many of whom won't work for pay. FBI head - great quote about trying to hire staff for the cyber crime unit. "I have to hire a great work force...")  
 And - Drug Testing builds market for fake pot  
 - No Evidence - that of jobs making causes harm  
 17 Prized, through the ages, for "its ability to catalyze the creative process. Bill - see 26 - creative personalities  
 19 Spanish brought cannabis - Not really successful - BUT The locals began using it for its medical properties.  
 - It was called - "The Most Noble Prince's" (pipiltzintzintlis)  
 Hemp was critical strategic raw material - All colonists had it.  
 20 - Nobody knows for sure the origin of "marijuana" - Rebrand it as "Mary's Stuff"  
 22 1910 - Mexicans flee civil war, Punjabis come to San Francisco & sailors start bringing it from the West Indies.  
 23 Real issue was never cannabis - It was the people who were using it. Disproportionate enforcement however been an unintended consequence  
 23-24 - There was pushback to Reeper madness by the US Bureau of Plant Industry, the A. M. A., & Panama Canal zone  
 And - The Indian Hemp Drug Commission - Found No Prob. Army  
 26 Louis Armstrong - A medicine - "with much better thoughts than one that's full of liquor."  
 27 - NY Times - Also gripped by total Reeper Madness.  
 30 - EDR. Roosevelt Election - 1932 Helped Anslinger  
 M - has no good "It is entirely the monster Hyde"  
 31 - the great Dr. Woodward - "Future may show great medical need."  
 35 Schaefer - Nixon - Wanda report "oblivious" to obvious differences "I want a goddam strong statement - The Ehrlichman quote  
 Schaefer - M symbolizes the cultural divide. *signal of misunderstanding*  
 37 NY Times - Reversal of policy

- 38 - Obama Policy - Too risky for All Americans  
 39 - only remaining Question - How much more damage will be done  
 42 - What keeps me up at night - Not fear of bust or multiple death sentences  
 "Steve DeAngelo has been an icon in the cannabis movement and industry for a very long time. I don't know that there's anyone on the planet right now that possesses Steve's level of business savvy and knowledge of the cannabis plant. When Steve offers up his wisdom, people should listen and try to soak up as much knowledge as they can. I know I do. The Cannabis Manifesto is a book that every cannabis enthusiast should have on their bookshelves."  
 43 - Egyptian medicine and Chinese  
 - Johnny Green, editor of the Weed Blog  
 44 Sasha? CBD "Dramatically reduces anxiety without affecting mental processes."  
 "By willing into existence a lab to test the cannabis provided to patients by his dispensary, Steve DeAngelo jump-started the CBD era in America."  
 - Fred Gardner, managing editor, O'Shaughnessy's clinical journal  
 44 WOrk by stimulating a previously unknown cellular communication network.  
 "Steve DeAngelo says what needs to be said in this bold and thoughtful manifesto. He's a role model for budding cannabis entrepreneurs who understand the unique relationship of this nascent industry to the broader struggle for freedom and justice in America."  
 45 Goal of - Ethan Nadelmann, Founder and Executive director of Endocannabinoids - in all systems is maintenance of the Drug Policy Alliance.  
Homeostasis - maintenance of a stable internal environment. Part of physiology of all creatures except insects. There's no greater authority in the United States on marijuana and the laws surrounding it than Steve DeAngelo.  
Opened the door - for Medical.  
 Morgan Spurlock, Oscar-nominated documentary filmmaker, producer, CNN's Inside Man  
 46 EC system - the largest neurotransmitter system within the human body. Most Doctors unaware.  
 "Finally, an intelligent public discourse about cannabis. Steve DeAngelo, with his huge heart, brilliant mind, and activist spirit, has created in The Cannabis Manifesto an invitation to a promising paradigm shift."  
 46 Federally Mandated  
 Ricky Williams, NFL professional, Heisman Trophy winner  
 46 1975 National Cancer Institute reported that THC kills cancer  
 50 NIDA Ignored that - Ran Study to show it causes cancer. National Toxicology Project. Study showed that it reduces cancer (50) That was BURIED leaked to Dr. Abrams

- 47 - Highest Dose The Better - with Cancer
- 49 - Alzheimers - 1880 - Artistic Cannabidiol Treatment  
 Introduced & Proved by O'Shaughnessy.  
 Next to Cancer - the most feared disease
- 50 - more than 100 years in US Pharmacopeia  
 1860 - Ohio - great list of symptoms - Known then
- 53 - Def - Addiction - must be 2 things
- 53 - C - Proven no gateway to addiction - IT IS a gateway out of Addiction Data from the Sorbonne University.  
 it suppresses dependence (3 ways)  
 "eliminate most of the symptoms of Opiate withdrawal."
- 55 Legalization leads to drop in alcoholism & problem drinking  
 Less Traffic Deaths
- 56 - Cannabinoids facilitate "extinction learning"  
 PTSD PTSD group had half of the cannabinoids of the healthy group
- 58 on Seniors - this is what they need  
Great improvement of health in Israel Nursing Homes
- 60 Aspirin is absurd - we are overdue for a major paradigm shift
- C has always been medicine and science will tear out and perfect profits & delivery systems.  
Cannabis Renaissance - most imp't medical development since germ theory.
- 64 - 2 great composite paragraphs - Life without C & with C  
 Good for nearly everything you see on TV - AND  
Perfect Paragraph - on how C improves life/health
- 66 - NOT an "intoxicant" (see del.) but a wellness product life enhancing  
 No such thing as "recreational use" - neither medicine or recreational describes the way I see C used.
- 67 - "The vast majority of C use is for wellness purposes!"
- 68 - Ginsberg - "Pot is Fun" began his activism.  
 where medical Cannabis Laws  
 ↳ Drop in Fetal Overdose, Traffic Deaths, Violent Crime, Suicide  
 - and Teen use? - or stability there. Drop in Domestic Violence
- 69 - "Better to be a stoner than a pauper" - in their game
- 70 Reagan Ended the great hope of the late 70s.  
 ↳ Reagan (contra) CIA brought in so much cocaine that they sparked the cocaine/crack epidemic
- 71 Puritan Legacy makes pleasure immoral but it's god!
- 79 "Lying to children is rarely a good idea"

- 81 - "Teeth running down her face" This is the first time in 10 years I have been able to unclench my fingers"
- 82 - The Free market should sort through preferences and choices - Voting with dollars is most effective.
- 83 - Clubs will open - pioneer a new paradigm of socializing. Restaurants, Museums, Concert Halls will sell lozenges to intensify the appreciation of the senses.
- Steve's Vision - so great. ↓ w/ Alcohol, Scripts, Traffic Deaths, O.D. Seniors Senior Centers will echo with laughter and joy instead of wailing and sadness and hospice patients will be present with their families, instead of lost in a morphine fog.
- 84 Don't Advocate for "recreational use" - see wellness theory as a better guide.
- 91 So

# CANNABIS MANIFESTO

LEO  
 Analogous to Michigan - passed Medical Marijuana Directed State to establish a system. Never happened because
- 95 2005 Oakland - first city to Regulate Cannabis
- 99 Refusing to Regulate brings Chaos and bad behavior
- 107 Denver - groundbreaking regs on Butane extraction.
- 112 - Won't Allow Banking - then forced Armored Car Services to drop all cannabis accounts.
- 109-12 - All the ways regulators try to Limit Cannabis  
 Sin Taxes, Denial of Service, No Home Growing, Limiting Patients (specific), Limiting Providers, Criminalizing Profit, Land Use, (conditions), Mandatory Indog, Vertical Integration, Past Convictions, Public Use, SOCIAL JUSTICE ISSUE
- 127 - Black people arrested at 4 times the rate of white people  
 Roadside Cavity Searches - Where is the constitution?  
 Legalization is a Peace movement.
- 117 Society - No other single step would have such large good results.
- 127-138 - Steve's History Perfect Social Justice/AA Values
- 133 - Classic "In between the street fights, I studied Statement for profit. WOW
- 135 - modern slavery Prison Labor - No benefits, Low cost  
 Every 26 seconds a Crime of Violence occurs in America.  
 Ferguson Missouri - 40% of Black Men are missing.
- 144 - It is the Cannabis Exception to the U.S. Constitution  
 He won 69% of the vote in DC.
- 146 - Paragraph - Wanted to create Gold Standard for the distribution use of Cannabis, reassuring, compelling, welcoming

149 We're approaching irreversible planetary suicide

150 Introduce "Sun Grown" pot.

150 50,000 Raids annually

4.3 Billion in Equipment moved from Army to Local Police

151 His 30 Billion in Taxes paid - employ a lot of cops  
Cops even call Harborside to see if a grower is legit.

153 Paragraph - Effects of Prohibition.

171 - Kill off the house of Saud - Saudi Arabia

172 "I qualify for multiple federal death sentences

174 Call plants - The Birthright of all human beings.

Medical history may someday be divided into Before  
and After the discovery of the endocannabinoid  
system.

Closing - Our memories are not short, our energy is not  
low, and our minds are not dimmed.
