

## 2- Our Country Needs a Massive Religious Revival

7- I was ransacking religions looking for goodies

### ① GOD IS the universe

Your religion is how you really get along with folks

4- There isn't supposed to be an intermediary between you and god.

13- Enlightenment is ordinary reality - rare and precious  
Psychic powers & enlightenment don't have a thing to do with each other.

E - Mostly paying attention to other people instead of ones own self is a GREAT HELP

16- Most Dangerous Thing about Rel. is self righteousness

2 EN - I don't seek after E - and ness  
neither do I persist where NO E. exists, persists, lingers

E - means you are not easily driven to rage.

17- In the game for love & justice. GOALS

28- Religion has to serve a human beings needs.

29 Can't have the dualism - friends & enemies, people we like and people we don't like. We share one soul.

31 Don't have to kill animals - a cow - beef 1405 by 1400

Work is a holy meditation and the physical expression of love.

32 - The universe is not going to run down - Entropy will balance with life force

33. In the USA - if a vegetable and an animal want to get together then it is NOBODY'S BUSINESS Don't tread on me

- We are supposed to enjoy the universe - but in a responsible way.

36 - During my highest psychedelic experiences I learned the Key to life and death, heaven & hell

40 - Pass the J - we are passing something special - and we are sharing communion with it.

Can open you up and leaves you compassionate

A people need to get compassionate if we are to make it on this planet. goal - evolution Homo EMPATHACUS

45 The Biggest thing for us as ordinary humans is to learn the understanding and feelings of opposite sexes

The secret is to learn to respect and to flow with the other pole.

46 You have to clean the terminals now and then, so they don't get corroded. Low - powerful flow - could corrode terminals.

Pride - one of the worst corrosions in people  
you better do what it takes not to lose your "real good thing"

56 - Stephens first pot - with asshole & vict steen - the first time I had ever enjoyed eating to that extent.

58 Alcohol I'd forgotten to drink because I was so delighted to be stoned. Alcohol & Pot  $\uparrow$  MEDICAL

63 - Gaskin wants to be a Faith Keeper - like Pete Seeger

70 Becoming Jaded on grass is disrespectful to the grass - give yourself TIME & SPACE

71 - Turn on in late Afternoon

74 Amnesty for pot Prisoners. Reparations

77 Dominant Religious culture dominant - want you to have a Powerful Sex Life

79 People can repair a relationship with the increased communication grass

86-88 - Sexuality SEX Book brings Sex Not a Reproductive Thing, but as a vibrational reality worthy in itself  
most valuable - cheap

96 - Very Imp. for kids to have went ethic before re low grass.

- 2 103 de Tocqueville - USA only country to go from barbarism to decadence without an intervening period of civilization.
- 7 104 - we are in a position where the base of our culture is so eroded that it is almost unrecognizable.
- 4 109 Fansite than aspirin FAR less addictive than heroin
- 13 112 The 60's America's finest hour - all the movements & realizations began then Legalization
- 23 113 - Cannabis Prohibition Deeper motives
- E - systematic oppression of a certain kind of people.
- 9 114 The Urine Test is the loyalty oath of the 90's
- 16 119 - Not content to live in a country that has become less free the longer I have lived in it.
- 21 125 Question Stephen - what is the relationship between truth and SANITY?
- 28 128 Avoid the dichotomy as you would a deadly snake
- 29 130 Truth is always objective
- 31 131 Compassion is one of the Antidotes for alienation
- 33 135 It does not make you crazy to think a crazy thought
- 36 71 - going to sleep
- 40

for Chuck  
who has some  
**CANNABIS SPIRITUALITY**  
of his own.

Stephen
