139 Dutch Seed Business - main way the ~~best~~ Powerful M ~~has~~ spread around world

145 THC + CBD - Prevent brain Damage After Strokes
Because they are powerful anti-oxidants that can cross the Blood/Brain barrier

146 - Dr Guy Lay, out Properties of CBD, CBG, CBC, CBNA, Pain Anti Bacterial, Anti Fungal.

147 And there's more than Cannabinoids - essential oils have sedative property - one enhances the flow of blood through the brain - stimulates brain activity.

Guy wants inhalers = Eaten (marijuana) - gas thru liver - converted to 11 hydroxy THC - Slower to arrive, last longer, less predictable, more intense.

151 Prison - R.C. Clarke - "So many people's family life was destroyed by prison. That's the real tragedy"

153 Arjen - "When I don't smoke I work too much: I have to smoke"

156 - Integrity 6 Times top bag of grass left on the table - there at the end of the day.

169 - The whole Basis of Judging wine is blind Tasting

170 - No wine Competition - would dream of letting the judges see the labels.
- Cannabis is a business - one of the world's biggest businesses.

172 - A doctor first brought C as drug to the western world
Next Mercator - F. P. ... 1845
First published in Great Britain in 1977
This paperback edition published 2000

173 why Illegal?
Bloomsbury Publishing Plc, 38 Soho Square, London W1V 5DP
No consensus - Chapt. Conspires

175 - Last of the great Pharm) Boozes to Partnership for Drug Free America
Typeset by Hewer Text Ltd, Edinburgh
Printed in Great Britain by Clays Limited, St Ives plc

175 in Britain
Many cops don't see it as a real crime.
Conference - After years of disappointment seeing legalised pot turn from a sure thing into a lost cause

Like Population (Eisler) Intransigence Indirect bility is cultural change / plant/nature / female / Non-violent spirit

195 Harry - Did such a good job
Juries were letting murderers off on "M insanity" - A jury even accepted that an unsmoked bag in the room gave off "homicidal vibrations" - that made him kill everything. more egalitarian (5)

195 Racism - Rationale for Drug Prohibition
Prof Bonnie - All prohibitions are not about drugs (or even behavior [gambling]) "They are passed by an identifiable US to control the conduct of an identifiable THEM.
Britain - gin ban quiet Ban Khat

200 "people like us could smoke a joint -> fine. But a working class kid from Manchester - Bad

201 Legalization - Rival Politicians will try to score cheap political points if another tries to address the issue seriously.

204 - Trying to find Justification for the involvement of the police

205 Drug Bureau creates Need Cannabis partly for institutional reasons, as the scale of [c] use turns the drug problem into a "massive problem" requiring a commensurate response.

206 Poster w/ Big Syringe - "40% of Kids use drugs" True only if you include cannabis. (to get funds)

210 Protestantism and Pot Don't mix

217 British Police officer - "Tonight A/c will be the cause of crime, violence, suffering - Not Cannabis" "It's a real shame that this whole issue does create a very big gulf between the criminal justice system and the person on the street"

217 International Treaties - could be satisfied by giving a card to offenders listing dangers.

96 Rubidum Cornutum Potent C - not toxic to human

"The chance use of mind or body"

97 wow He went on strike - age 8-9 yrs later got motivated back - about when he discovered harsh.

99 term "psycho dystopic" substance that changes mood but NOT in particular direction. like Indian Hemp Study both a stimulant & depressant

101 So much VARIABILITY of reaction in humans
THC isolated - first time given to group of humans
Mechanism? Israel - 1 Bad Trip, He liked it, Cabinet Minister spoke 3 hours

103 You enjoy things more, think deep thoughts - & its not predictable? Every day its a surprise.

104 THC can trigger opiate system [indirectly?]
Part we memory? "essential role in limiting short term memories, preventing brain from getting clogged with trivialities"

- Has FEAR (uncertainty paranoia) Reaction
Quote: Reason it isn't addictive is because it doesn't necessarily improve things.

103 wow - Double N action - possible mechanism for that a) general excitation b) receptor action

101 Prof Tants. list - Self/Setting for good Experience
a) strength of the drug predictable b) calm, confident
c) free of repressed emotions d) congenial / non-manipulative
Yeah then you get joy -> Entree.

105 - mentioned Blu Ricamba - used it as punishment

107 - Treatment for anxiety - to Emergency Room
"all over the world.. simply reassuring them" maybe a little tranquilizer.
schizophrenia - getting lower in Holland.

108 Wow - The Jack Herer Story - Straight Conscious native
Woman got him to smoke - great TEX
First question - "Why is this against the law"

109 Sex - Agreed - Better with Pot

111 Psycholowu - Text - Insights about myself, personal names, other people, how they tick

psychology - Anti Authority? 112 Chief attraction of C is that everyone can puff on a spliff and discover the joys of deconstruction and analysis "Governments don't like it because they don't like people thinking for themselves YES - WHY NOT FORBIDDEN FRUIT"

113 Pot only can use what's already there But Cannabis Culture
Bring out New Connections

A Journey Through Disputed Territory

Old Testament Not history - drawn from a range of cultures, from Greece to Babylon, and are used by the authors to express their various doubts and Not even David Patrick Matthews certain trees

114 Duh help scientists make new connections

115 Religion of Hemp
Jack - wrote book on connoisseurship - Then people told him other uses "I used to look at the pot and wonder how they used that to make paper"

116 Rotation Coop @ Wood Pulp

116 - Tripping on Acid (Herer) It came to us "Hemp could save the world - it sounds ridiculous."

117 - Hemp Shoes - Address - Got pressure from Federal Govt. "Body Shop" - oil grown in France in court

118 - Defense Attorney (Allen St Pierre) arrive in Hemp Suit

James team Colony - made Hemp mandatory
First 2 drafts of declaration of Independence

119 - Herer's tireless promoting "on a scale to rival the missionary journeys of St. Paul"

123 - Biomass - You could get better yields from other crops willow?

130 Wow - How to make Hemp Milk (sprouted seed)

136 Why THC BLOOMSBURY
138 produced - sun resin - "form of pest repellent" works by impairing insect control over movements
kinase for seed huge seeds

138 - use Knockout weed / Hard Drug Cure

2 ^{most} Basic Attributes of Cannabis Culture

109 Honor First Question "Why is that illegal?"

5) Dangers of C 1) Antisociality 2) might let things slide?

4) Why Ale. No C - Culture - Ale has historically been part of the culture that now dominates the world

From Residual & Classic Study - "The Herb"

T.V. In Nature - Bullies get food + grow/reproduce

7) Cannabis Conversation talk identical to wine speak

13 - USA like Monaco - War on Drugs - Aimed at eliminating competition with big scale producers and smuggling rings which enjoy official protection.

Wow Pg 14 Quote Aziz - can't fight a steal - be calm and honest. A drug is NEW - This is Not a Drug

16 SOMA? Identity Ethics - morality

17 Kumbh Mela - Hash Banned - Siddhas words Pajo with 15 million pilgrims standing there POLICE got Hash riot

18 Sufis - 1500 BC Spread the use of the plant as a drug

20 modern use of Cannabis does come from among the subject peoples of Brit. & USA - rather than their imperial masters - hence this stereotype.

21 The Christian "Because it was illegal" it became an adolescent rite of passage.

30 Professionals + Executives most likely to use Cannabis

44 - med pot for MS. With pot - get medication down to 1/3 of previous levels

46 many Begin Smoking (Europe) after diagnosis w/ illness

47 Good Med Chapt - "Gamma Irradiated med pot to kill many fungal spores"

Can grow High THC very standardized med pot. Very old people + people w/ money. Don't want to get high

I imagine - Rigid old Dutch man trying not to laugh.

Dutch med pot, National Health Service, operates outside law - Why do they care about compassion and real people

48 Medical - Chronic Pain, MS, Migraine, Glaucoma, Nausea, Depression, Anorexia, AIDS wasting, Asthma, Emphysema,

1) Effective 2) Safe - No Toxic 3) Apparent Synergy w/ Opiates

49 MS patients Bruce Impress on

52 Event C Legalized - Sick People Should Still get it from their Doctor.

54 DEA agents in Bayou Club - "agents provocateur"

61 I've gotten beyond the point of being surprised by anything that this amazing plant can do.

65 U.S. research Cannabis Culture "politically motivated" seedism formation into lit.

69 - THC Receptors

70 14 yr old Hebrew girl - died in child birth Brazier Delta 8 THC

73 - Story of the naming of Amphetamine Pertwee metchilem 2nd Receptor + 2nd Endogenous Cannabisoid

Guy - "Not only is a receptor system there, it's more all pervading than one imagines."

76 - wow - fat solubility - Pertwee - "MS suppresses its own withdrawal syndrome" - bad Dog experiment

78 Nahas - Big Question? What happens to a society when new drug accepted on mass scale? ANSWER Civilization - / substitution produce betterment.

81 Story Haydar discovery of cannabis (1155?) just like Shiva - depressed - walked away - ate it - both almost same as coffee discovery magic

Arabs - Ate Hash - got RED EYE

83 C was the choice of sufis and scholars.

Psychological/Rel - Hash takes "notices the heart with the eyes and controls the eyes with the heart. He separated from his idea of humanity and joined his idea of Divinity"

METHADONE Restriction - Culture/War/Deaths like nuclear exchange.

87 Arabic - coolest "The Digester of Food, The Arouser of Thought/Psych"

a ingest place under the teeth and dissolve in mouth fed

88 Distinguished group offered whiskey don't mix ma'joun

36 How they legalized in Holland - Coffeshop just day

95 - While stoned he thought "Arouser of thought" and principle of "humility" seemed right. if
