

- 5 Reduce Illness Powerful Anti Tumor - Guard the Brain
- 5 Reduce Damage from Binge Drinking.
Recent Compassion Chronicles - Peter & - on Tech Brains
His "Eureka" moments had to write that book
Assation - Mis good for Human Health
- 6 CBD delay Diabetes - Walked around house - Thought his head would explode from all the learning.
- 7 Interrupt a Number of Disease Processes
- 8 Plants may be antidote to species excess/death - a way to preserve the whole & feel like they are living more with less material consumption.
- 10 Whole E.C. system would not have been discovered without hippies/recreational use.
Biological regulatory system.
- 11 Mechanism - C. regulates nearly ALL systems in body
When we started this we had no idea how right we were - or exactly why.
Molecular Structure of CBD was mapped first - Israel
Then "only Delta 9 THC affected the monkeys"
- 13 Discovered surprising extent of endocannabinoid regulation
Revealing a whole physiological control system in the body
14 Great Michael Pollan Nobel Prize Quote
- 14 Cannabinoid Receptors Relay signals through the cell membrane
- 15 opposite of Devil Weed - Natural Ally of the human Body to help prevent many terrible things.
- 17 - Reduces chance of lung cancer.
- 18 1975 Virginia Cancer research - was in convenient to W.O.D.
shortly after - N.I.D.A. was given to total control - only research could be about harm.
- 19 1990s - greatest Advances - from studies directly structured to prove harm.
- 20 Tashkin - cancer - "a little bit less" "failed to find an association
Reverses - after 30 years - In favor of legalization. (22)
- 28 Colon Cancer in the Family - use Pot
Anti Inflammatory
- 27 Lymphoma, Brain Cancer, Gersh oil - & Skin Cancer

- 29 - Breast Cancer.
29 - Cannabinoids target Cells - Through actions Mediated
WOW by receptors - but also directly attacks - in ways even an anecdotal doctor can do. by themselves
- More comments from the industry about Marijuana. Gateway To Health:
- 29 In use - part of a healthy, cancer resistant lifestyle.
"Billions of dollars' worth of pharmaceuticals are based on opium and cocaine, yet the active ingredients of marijuana are shunned. If just 5% of Werner's claims regarding the clinical benefits of cannabinoids are true, why are governments and drug manufacturers so intransigent about marijuana? Can 'pot' be more dangerous—and less beneficial—than legally distributed Oxycontin, ephedrine, Percocet or Valium?"
—Laurie Garrett, author of I Heard The Sirens Scream: How Americans Responded to the 9/11 and Anthrax Attacks
- 29 Users - Reduced Cancers of Head & Neck - Lung
"Clint Werner argues forcefully that the health benefits of marijuana far exceed its dangers. Much of the evidence is preliminary, but it adds up to a call for professional, large-scale scientific research to access this ancient and ever more popular herb."
—Robert Bazell, author Her-2: The Making of Herceptin, a Stunning Sentence Revolutionary Treatment for Breast Cancer
- is the euphoric effect so dangerous.
- 33 Alzheimer's - Loaded with footnotes and packed with information, Marijuana Gateway to Health will teach any skeptic how medical marijuana heals people."
—High Times Magazine
- 34 Euphoric - so great that it is better to die of C or Alzheimer's
"If government policy is ever based on science instead of Big Lies, this book contains the science it will be based upon. Buy a copy before you get old. Buy a copy for your doctor!"
"It might actually work!" —Michale and Michelle Aldrich, The Aldrich Archives, San Francisco
- 35 - Works in several ways
- 36 - Why so wrong? - The Egregious Monkey Self-torture Studies
"Clint Werner's book, Marijuana Gateway To Health is packed with scientific revelations about cannabis—a real eye opener and a must read. It is refreshing to see the truth!"
—Brad Lane, Executive Producer, Cannabis Planet TV
on an ineffective cannabinoid - to discredit other
"The compilation of scientific studies in this book is just superb. I can't research, wait to see how Marijuana Gateway To Health changes the world as we know it"
—Angela Fairless, LaRoach.com
- 38 - Works for Brain Injury & Traumatic Brain Injury
- 39 - Should be given to NFL Players after each game to practice.
Same for Soccer Players Common as Ice Packer.
- 40 - FOR ALS - C - is like a complex drug cocktail
- 41 Yes! Data on C protecting brain of binge drinkers
Universities should require pot to be present if alcohol is consumed.

42 - Stress - Cause Disease - If "laughter is the best medicine then M is a great delivery device."

43 - music - ~~is~~ a three dimensional, almost sculptural quality. Aid to prayer and meditation.

43 Protection of GI. Clint Werner's Marijuana: Gateway to Health sets a new milestone in the understanding of marijuana as medicine. This book is a masterpiece—clearly written, well documented, and it pushes back against the ill-conceived propaganda against these useful plants. Any skeptic is well advised to read this book before voicing an opinion. I highly recommend this book!

44 M melts stress away like sun on snow. "Marijuana: Gateway to Health is a refreshingly readable book that engages the reader from page one. Werner brings to life the story of how marijuana's medical benefits have been discovered, covering all the bases and putting clinical studies into their proper, broader perspective. A terrific book with heart and soul."

—Ellen Komp, editor The Emperor Wears No Clothes
"Marijuana Gateway to Health delves into everything from Alzheimer's to the War on Drugs with important details on monumental discoveries about the endocannabinoid system and how it can prevent disease and pain. If you want to know about medical marijuana today, this is the best source of information. I keep my copy on my desk!"

—Jorge Cervantes, author Marijuana Horticulture, photographer
"Marijuana Gateway to Health blends a clear and concise overview of the science supporting cannabis as medicine with an engaging account of the politics of prohibition that still keeps it from patients. Werner shows just how cruel and counterproductive federal marijuana policy is. This book should be required reading for all medical professionals, elected officials, and everyone interested in health and wellness."

—Andrew Weil, M.D. author Spontaneous Healing and Spontaneous Laughter
"Marijuana Gateway to Health documents important and hitherto under-reported scientific discoveries and developments concerning the endocannabinoid system and how it influences health and wellness."

—Morris Schambelan, MD, Professor Emeritus of Medicine University of California San Francisco
"Marijuana Gateway to Health documents important and hitherto under-reported scientific discoveries and developments concerning the endocannabinoid system and how it influences health and wellness."

47 Strong Anti Epileptic Properties highly antagonistic to Breast Cancer cells - If it shows good results - funding is cut.

50 - 120 Terpenoids - also occur in other plants. Have health effects. Dogs Beta carotene
75+ cannabinoids - only in cannabis

51) Terpenoids - can counteract (by producing enzymes to detoxify). The harmful polycyclic hydrocarbons in smoke.

John H - Smoking pot is protecting lungs.
52 - 23 Flavonoids which also have medical usefulness - Kill cancer

- 2 are unique to cannabis. Smoking works - Vaporization may deliver more flavonoids. Plants could be bred with exactly the cannabinoid/terpene/flavonoid mix that helps one the most - or/and makes one feel the best. - When Law Changes.

57 - Story of Rimonant - Cannabinoid Deprivation Syndrome once - own the counter in UK. 56 countries, suicide, psychiatric county, nausea, vomiting

56 Amazing - Horrible list of Side Effects
58 - CBI knock out mice were created. Very anxious & not healthy
57 - mice - Reduced ability to forget traumatic experiences. Some times Die without anything clearly wrong. have seizures - greater mortality.

58 - Russo Clinical Endo-cannabinoid Deficiency

MARIJUANA GATEWAY TO HEALTH

59 C. can't kill you - but C. deprivations syndrome could. HISTORY

Food Fuel Medicine Sacraments Textiles and Rope - for 6000 years at least
China - "supreme elixir of immortality" TO
2500 Tombs - one top guy had 1 1/2 lbs of bud with him.

65 - Most was Tincture - joints were manufactured as bronchodilators
Used for indigestion right up until it was banned. HEATH

66 Anslinger realized Fed. agents would be jobless - Jumped on it
Firs (State) laws against M were to set up the police state - Re. Mexicans

67 - Anslinger was arresting a lot of people in New York City.
67 - Another complete switch - like gateway
Violence - Before - super human killers - After - too passive to resist the commies.

67 - Tod Myleauiya - head of Nixon? CBD and
70 - Mechoulam - 1964 isolated identified synthesized THC

70 WW - Ginspoon set out to get the data on how bad it was for Harvard Students brains - So they would not do it.

71 Dr. Weil found regular users performed better on some tests. Peak is at 1/2 hr - lasts 3 hours

Hollister found M makes you happy Intoxicated (3) Sleepy
Leary's suit knocked out the "Tax Act" - for a while there were no federal laws on just growing, selling, using M.
50 - Supreme court legalized it at federal level

72 S.C. pot Law Nixon's favorite tool to repress youth culture

73 Schaefer Commission Totally undermined reefer madness.

74 NOW - Schaefer evidence was part of the C.S.A. - totally determine scheduling - Then Nixon rejected it.

76 - THC - 1975 - Virginia "THC demonstrated a dose dependent action of retarded tumor growth.

81. DEA finally ordered to conduct hearings - delayed it 8 more years

83 S.C. - Reagan-like Nixon - Viewed it as a "symbol of unpatriotic rebellion"
- The Parent Groups phenom. - NOT like A² which cares about kids - they thought harsh punishment would deter kids

84 - CAMP forced growing to go indoors - a combination of an art science and a spiritual practice.

85 - For website - A report-like Schaefer - Nat'l Academy of Sciences.

86 Irv Resnfeld - Not only pain - it reduced the growth of his tumors

NIDA & govt use marinol to block the plant.

92 Wow! Deal. Govt offered to hold hearings if ACT & NORML would allow marinol to come out.

13 In later got hearings - Activists were NOT optimistic in front of the DEA's own Judge.

94 Judge Young ruled that it Does have Medical use in U.S. That - plus Schaefer.
Young 1) Safest therapeutically active substance AND "Smoked M offers important clean advantage over Marinol"

95 John Henry - weight.

96 - Absolute evil John LAWN - The Devil - ended career as rep. for alc. industry. Carefully Timed rejection

97 But they Randed Down is Perry - Lo on dragged down the stairs. WRONG Thing to Do.

98 - Randall was a great warrior.

100 Story of Jencks Couple - AIDS - 3 Felices, Sentenced to 500 hours loving and caring for each other?
Randall set up an AIDS package Application that would take less than an hour.

MANY were approved - but - as always - DEA lost the paperwork.

101 - 1991 Dublin got it out that most oncologists favored cannabis.

103 - Even ONDCP staffers are human - Call in Comparison
then staff blocked the complete end of Compassionate IND.

106 Perry's revenge - passes ballot issue at 78% then opens Buyers Club.

07 Dr. Abrams partner - used only C-outlined 3 support groups.

108 Brownie Mary Bustid - Said go fuck yourselves - Would not stop.

111 Peron runs a huge Cannabis Buyers Club - Many Activities 10,000 members

prop 215, 1996, 56%

Printed in the United States of America

150 So Son of Rooter Madness ① Pot is Different ② Schizophrenia
Schizophrenia thing demotivated - Not even a blip in teens
in " incidence in the late 60s./early 70s.
And - The Law at in fact Can be a treatment for Schizophrenia
of course
155 A tremendous amount of money has been used to generate
"veefer madness" cloaked as science to build police state.
157 Simply no ~~long term~~ honest data indicating long term harm -
158 - media Complicity - Trumpets bad data - Adds hysteria.
A whole chapter in this Drug war.
There it is - The media is either ignorant or complicit - Bleeds
leads
156 NIDA's blockage of research directly affects the state of U.S. global health. Has to sell
pagan - he
sensationalistic

THIS BOOK IS DEDICATED TO my parents, Lee and Mary Werner, for making my education their top priority; and to all those unjustly imprisoned for using, growing or selling marijuana, represented by: Mollie Fry, Dale Schaefer, Marc Emery and Eddy Lepp.

Thwarts treatments for cancer & Alzheimers.
157 Research uses synthetic cannabinoids - Not completely
generalizable. Not as effective against all AIDS
symptoms.
Entire new industry of cannabis supplements and remedies.
159 Treatment for Drug Addiction - Robert Altman - Alcohol
159 Peter Lewis - it improves the quality of life.
Only reason drugs are associated is criminality - if kids
see pot & H in the same category, try pot and it is fine -
logically also think it no problem.
harm's children and Bureaucratic immorality.
respect for government.
160 (3) Driving - M smokers have a strong sense of self-preservation
M - will increase cautious behaviors
You know when you are too high - High people in study refused
to drive.
less likely to have accidents than the general population
Drivers reduce speed passing, and risk taking behavior.
Forc must have field sobriety tests that measure
impairment.
162 NIDA - established "Center for Cannabis Addiction" ~4 million
Federal funds are additive - Lie to get them

NIDA - parasitic - developed term "cannabis related disorders" and pay for studies to BLOCK THCI? (rimbonant) All D.W. # could be spent on valuable things. Huge amounts of cash goes to cops - who must make arrests. DeA from 65 million to over 2 1/2 Billion - Why do they lie - make pseudoscience - For the \$

Who should Not use cannabis
 - Before pregnancy - could make it harder for egg to implant
 But Mother's milk full of C and baby mice with no CB1 receptors

170 The Children - NO - Milder - get your education first and then start smoking pot.

173 Perfectly possible to use everyday & be just fine
 Tries too hard (adolescents) to find something bad to say

176 Profound sense of mental and physical well being.
 Q is that inherently subservient to capitalism & growth??
 less acquisitive - grasping

176 "creates sort of a love type reaction" drug therapists says that is the one they really missed.

177 Harborside - Example of the transition
 - just remove the doctor requirement
 Harborside - pays a gram for political work.

179 - Labs - a new industry and lots of jobs.

181 GW uses waist high tables
 "Acres of giant metallic screens open when the dark period is to begin."

182 Many smaller cults voters afraid of legalization
 Always will be "boutique" "craft" demand.

Yes there will still be market after people can grow their own. - like beer

183 The Best will be outdoor grown - has more CBD
 People could take preventative supplements

184 - There will be Bars - less dangerous society with less alcohol.

23 States let parents give alcohol to their children.
 Begin w/ sentence from Back Cover.

186 - Gov't even planted & subsidized T.V. - Controlled plot lines so it would not seem that pot had been accepted by popular culture.

187 Co. Schwartz - neg. see "No one cares"
 * Montana - Jury nullify "don't know if we can seat a jury" people were "not supportive" of M law
 187 Many Strip Movie got an R rating solely because a joint was passed "without negative consequences" - So - if they had been quashed down or hit by a can or a PG?
 188 M - could help aging brain (reduce inflammation) Neurogenesis
 When older generation realizes that they could get protection from so many things - use will go up - and that is good.
 Curiosity re: Cannabis - led to revolutionary discoveries about how our biological systems function.

189 Alzheimer's researcher - "one puff a day? can produce significant benefits."

More THC the rats and mice got the longer they lived
 So Cannabis protects us from lots of really bad stuff and makes a million things about life more pleasurable

190 Introduction. So what the fuck is the problem. If

Part One	High Science	you don't care to benefit
Chapter 1	The Endocannabinoid System	get out of other
Chapter 2	Smoking Out Lung Cancer	people's way
Chapter 3	Fighting Other Cancers	in learning
Chapter 4	Alzheimer's And Dementia: How Cannabis Helps	how to
Chapter 5	Cannabidiol: The Other Side Of The High	like...
Chapter 6	Cannabinoid Deprivation Syndrome	with
Part Two	The Fall And Rise Of Medical Marijuana	natural
Chapter 7	From Sacred Plant To Evil Weed In Just 6000 Years	merchies
Chapter 8	Higher Learning	this was a "self"
Chapter 9	Double-Blinded Trials	publishing effort
Chapter 10	Just Say "Know"	A.S.P.R. Budget
Chapter 11	Case Histories	
Chapter 12	Ken And Barbie Have AIDS	
Chapter 13	Research And Commerce	
Chapter 14	Grass Roots Victory	
Chapter 15	Government Waste	
Chapter 16	Heightened Immunity
