

Intro - hope we met in Paradise - 24/5 Alice

X1 - Those who want a real education will have to obtain it on their own, some way...

3 - With so many versions of the truth to choose from - and such a short time to live - make your own way

4 - Having trouble finding what should never be missing from any rel - personal direct exper. or god is dead - which would explain everything. ~~What~~ personal experience of god here and now

X Quantum Physics speaks of possible parallel universes existing alongside the one we know

3 - Yes - when we try to understand what is going on it helps handle despair/ennui

4 - Mind altering plants played a role in ancient conversations with divinity.

5 Heinrich's personal story - searching so hard for god

7 - As a child - "a few well aimed questions, I found, opened up a whole long com of worms" ★

9 - Rig Veda - When you penetrate inside you will know no limits - AND you will avert the wrath of the gods.

Tim Leary - The only way out is in - the Materialism - The antidote - only possible - change in consciousness to ecstatic

17 - Fly Agaric - on a w - God - fog imcomprehensible.

20 - Gaea system - Dates from time that negura could give (some priest) an immediate view of the other world

21 - The urine - by-passes the negative effects of the original form of the substance? so for me?

22 - Jesus - really made up from guy who died 100 yrs before - for gentiles, ^{Heal why? broke the law - wasn't the fulfillment of prophecy}

23 - Religion - People don't want to be challenged - they fear the fact of being wrong or mistaken more than the consequences of being mistaken.

24 - Brahminism - direct offspring of power to priests of the soma sacrifice

33 - Heading South the Aryans may have switched from Vram to Krishna - Aminita Muscora to the psilocybe mushrooms of the dravidians - Krishna - the cowboy

54 - Theme of Dying and coming back to life always in heart in fly agaric/Resurrection

65 - Adam's Eve Story - Fly Agaric is the serpent at the base of the tree of knowledge.

- Eating the Forbidden Fruit made man God like - in trajectory

6 - Why God so upset - Fly agaric teaches that ones life doesn't end with death of physical body - with that secret - no longer subject to gods bullying - could tap the infinite and eternal within themselves to recognize their own inherent god nature.

- So to get man run & priest control - stamp out real enlightenment and sexuality.

66 - This Knowledge - can put the priest out of a job - prohibited

As Today - the fruit was great - did what it was supposed to do - Caused no problems. it was disobeying the authorities that caused the problem.

67 - Original Sin - euphemism for organized religion's condemnation of the plant-induced entheogenic experience. - Wasn't sex or disobedience. ★

68 - Bible full of paranoid schizophrenics - Foremost - Abraham -

71 - God then tries to kill Moses - often ignored

74 - Moses had the Yahweh loving levites slaughter the rest of the jews ★ Wow Need freedom of Religion

Male God Dominance - born in Slaughter - Kill others - Now Priests of Yahweh

75 Burning Bush - Fly Agaric - Specificity - First thing it says - Take off your shoes!

76 So - Why did Yahweh try to kill Moses - As he set out to do his work?

77-79 - The Unleavened Bread? Did Moses poison the Egyptians? ergot?

82 - Moses - put them doing mushrooms - Yahweh a mushroom god?? too much

197 Conclude The "Illegally Religious" yup that's me!

New Class of Knowers in Society - reviled, hunted, hated, marginalized

High Spiritual or Ecstatic States produced by plants not in question - but not accepted in "placebo world"

On Proper Use - Set Setting Education, Guidance

192 Mature Specimens more powerful, urine better

The class of "knowers" have received scorn

★ illegally religious - fill the jails with us

198 - Key Paragraph Entheo Religion - Fantastic

Direct & Powerful challenge to any system of spoon feeding religion, fascism, depression, eco destruction... AND that is precisely the reason they have been criminalized.

NW need the second Reformation - to allow validate the individual journey to the experience of the illuminations one needs - they

are using the power of government to destroy our religion
of eating the apple in the garden to get the "tree of the
knowledge of good and evil." Genesis 3:17 Now, with our
ignorance of \uparrow we are dominating and subduing it
to death.
