

8 - To Avoid Disaster - Profound change of philosophy is required - recognize complexity / kinship of people, plants, all living things.

8 Plants - Basis of all other life - food medicine clothing, buildings

Trees dying / disruption of cellular photosynthesis / pollution

1/4 of Rx based on plants | 80% of world pop treated by plants

20 - Plant therapy largely desirable to deal w/ cancer & other infectious diseases.

21 - Sweet lodge outlawed by Spanish - it kills Syphilis

72 Herbal Healing - A common basic concept is that of an

underlying life energy (the force) prana in Sanskrit
chi in Chinese and ki in Japanese that supports every
organism and is united with the life of the universe.

This is the healing/knowledge that Eastern Religions can catalyze

77 "Pitta" pop generally aggravated in late Autumn.

83 Chinese most advanced

Celery good for stomach.

HERBALISM
