

- 31 Hashish doesn't deame to be called an entheogen
any more than alcohol
- 41 Inspiration for Plato's "ideas"
- 46 Entheogens come from lightning Bolt fertilizing the earth
Lightning Bolts carried the sperm.
- 75 Says Tree of Knowledge of good and evil was
Soma / Amanita
- 153 Phallus es Were Guarding Greek
cities
- 154 Socrates (buddies) Was doing the Eleusinian
mysteries at home / took it very seriously
- 155 Had been re-enacting the mysteries of E. for their
linner guests
- 160 Socrates tripping
- was subject to falling under protracted
mystical trances.
- 166 The Serpent was the guardian of SOMA in the
Rig Veda
- 177 Socrates sounded like a Shaman - everyone
thought he was a druggie. ??
- 179 - There was more than fruit of grape - Maenads
were on stronger stuff.
- 188 Soma worship very old - as Eleusinian -
The Indo Europeans might be expected to have some
knowledge of the shamanic entheogens with them.
Has words for pre wine in toxicants
- 190 Dionysus worshipped as phallus - like
Shiva (esp. in winter)
- 194 - Wine is put into the ground to ferment.
Phallic worship / sacred marriage in Greece
- 195 - (Children) - Greeks introduce 764 yr olds to the
experience of wine - At festivals
- 196 - Distillation - Not known till Alchemists circa
1100 a.d.

- 197 - Limit of Alcohol by fermentation is around
Usually diluted at least w/ 3 or 4 parts water around 14%
pickling
- But was very powerful
- 201 Birth of wine
from thigh of Zeus has exact parallel in Vedas soma
PERSEPHONE'S QUEST ^{oip} in Indra
- 202 Like Soma - Dionysus was identical with Indra
- 202 - Sound of Tympanum WINE
indicates evolutionary Rebirth is taking place
- 205 What is chthonic
- 214 Cement Male Takeover - Like Adam & Eve
Olympian Gods - Triumphed when Apollo
defeated Serpent at Delphi!
- 242 Early Greek - Minoan Society the
Pharmakos - Scapegoat - Was stoned to
death (So each individual avoids blood
guilt)
245 Like all victims - The Pharmakos ideally had to
accept his fate.
- Now - scapegoat or atonement for gross materialism.
those who want to adapt - to survive & find
ecstasy / are sacrificed as scapegoat /
atonement - why police state - why poor services
- 247 - Later - Substituted Criminal for pharmakos
- So it does sort of get into wine as entheogenic
But (31) gains hashish & alcohol
