

6 New Vision of Reality - How Cultural and Social implications.

7 The Nature of Life is something that eludes physics  
19 - Physics leads us to a world view which is essentially mystical  
22 - Scientific Development had to jump from 5th Century BC Greece to Renaissance - Church destroyed in between

87 Lila - The Play of God  
Hinduism - Very Analogous to LSD.

5-Book - written through me rather than by me.

7 YES ECME - core - Ecology is the overarching framework for the emerging new vision of reality  
Deep level - Deep Ecology - Ecology merges w/ Spirituality - Because the experience of being connected with all of nature, of belonging to the universe, is the very nature of spirituality. ECME YES

8 All Mean Breath (that plants give) - Spirit, Soul, Atman, anima

9 - Mysticism - "The Perennial Philosophy" ECME

12 ECME - At first I was helped on my way by "power plants":  
- framework which can accommodate our most advanced theories of the physical world.

24 Real Reality - where it is not a crutch.  
- Transcend the notion of the isolated, individual "self" + I identify with the ultimate reality.

29 - Death - liberated from.  
Ultimate Reality is Beyond the realm of senses + intellect

"The Tao that can be expressed is Not the eternal Tao.  
Clearly Rational Knowledge has not made us wiser over past 2000 years.

30 Wm James - The filmiest of screens  
Reality - a non-intellectual experience.

34 - Zen - "The Instant you speak about a thing you miss the mark.

37 Buddhism - our original nature is that of the enlightened

Buddha - & we have just forgotten it.

Einstein - on Mathematics & Reality - uncertain  
51 - Change Space, Time, Object Cause Effect, Matter

# THE TAO OF PHYSICS

87 Hinduism - Atman, Brahmin  
Brahmin - All Things - manifestations of same ultimate reality  
Atman - The Human Soul - and Atman & Brahmin are one

Lila - The Play of God  
Buddhism - If the flavor of Hinduism was mythical & ritualistic - the flavor of Buddhism is concerned exclusively w/ situation of Human Beings

96 Nirvana is the equivalent of Moksha  
106 Modern life - Always try to "increase the standard of living" by decreasing the quality of life.

An Exploration of the Parallels  
124 ZEN - How wondrous this  
- Like LSD - How wondrous this  
I carry fuel Before/After Enlightenment  
I draw water and Eastern Mysticism

125 - What is Correct Zen posture and breathing.  
137 - We Cannot Decompose the world into independently existing smallest units. Fourth Edition, Updated

150 - The Math of Relativistic Physics works out in a 4 dimensional world - Hard to convey in 3 D lang.

155 Both Mystics and physicists face a reality beyond opposites.  
by Fritjof Capra

325 The profound change in culture & consciousness over the past 2 or 3 decades.

189 - The Dynamic Universe "characteristic is to always move onward - to be forever in the mood of moving" - which is life (electrons, protons)  
SHAMBHALA • Boston • 2000

193 - The fundamental restlessness of matter is known - when particles react to greater confinement with greater motion.

94 - The closer we look the more alive it appears  
196 - At the Macro Level (Dynamism) - Universe is Expanding

201 Relativity Theory tells us - Mass is just a form of energy.

209 Unity - The Basic Unity of the Cosmos manifests itself in the world of the very small ... to very large

211 Matter is constituted by the regions of space in which the field was extremely intense - the field is the only reality

Wow  
213 Chi - The vital breath or energy animating the Cosmos

"The Force"  
223 - No such thing as nothingness. The great void is full of chi.

244 - Shiva Superbly balanced and graceful - Dancing on the body of a Demon - symbol of ignorance - has to be overcome before liberation attained.

228 Gravity The Dominating force in the World at large

2415  
Shiva's dance is the Dance of Subatomic Matter

289  
Peace & Harmony Not from Authority but from taking your place in patterns - following your own nature

291  
Deepest Reality Can't be expressed adequately in language  
Sages Not interested in explaining things - wanted experience of unity of all things

3) Transcend words and explanations - break the bonds of Karma and attain liberation.

292 Enlightened State - When the so-called outlines of individuality melt away and the feeling of finiteness

no longer oppress us.

300 - Eastern Traditions have always regarded consciousness as an integral part of the universe. Man - is seen as the living proof of cosmic intelligence

(power plant)  
301 - Lao Tzu "He who knows does not speak" He who speaks does not know

301 End with Entheo - Bootstrap - Vision of Nature transcending thought and language.

The vision will be complete - but not communicatable in words

WOW - 326  
Deep Ecology discussion

Awareness of oneness  
deep interconnection  
This level of ecological awareness is spiritual awareness

New Paradigm grounded ultimately in spiritual awareness. most of the time the ecological world view

307 - His Claim: The Philosophy of ~~Religion~~ Mystical/Eastern Traditions provides a consistent philosophical background to the new scientific paradigm

330 Eastern/Entheo - experience all phenomena as manifestations of a basic oneness

- It is all process, not underlying structure

330 - when subatomic particles are observed we never see any substance - or fundamental structure

We observe a continuous dance of energy

331 Mystical Knowledge cannot be detached or objective Always involves full participation with the whole being

332 - science won't have firm foundations - Replace Building metaphor w/ Network  
335 Things can't be fully explained - Interconnected Mystics not interested in explaining things - rather the direct non intellectual experience of the unity of all things.

- 335 - Survival only possible; it is shift methods & values underlying force and technology - Shift from domination and control to co-operation and non-violence
- 336 - Survival - will take a complete change of values and heart  
 Not dominant - co-operate  
 "Those who follow the natural order flow in the current of the Tao."

## ACKNOWLEDGEMENTS

- 340 - Book The Web of Life - by him  
The Spiritual Dimension of Green Politics
- 342 - There is a "rising culture" representing different facets of the same new vision of reality.  
 Coalescing to form a powerful force for social transformation.
