

43 Christ Benedicite of Drug Laws - the Nation

82 - Hurley took LSD as medical.

12 Hoffman - at core of all religions "It is in truth the Kingdom of heaven destined for human kind."

11 Hoffman - There is a fundamental distinction - Are you experienced

12 E - one of the tools which can help us to overcome the nationalistic world view to which we can ultimately attribute all the great problems of our day. Be stoned upon human kind by Nature - should not be withheld.

13 These alkaloids don't seem to be critical to the plant

13 - LSD my problem child - Get Book Get Classic Books

19 Entourage - Ancient Greek Def: realizing the drive within

20 Watson - Mushrooms Key to Religion?

21 - FANTASTIC SPINOZA quote "All Laws which can be violated."

22 Civil Liberties - Attack on

4 lines of Argument against Drug War: Scientific 2) Political/Legal 3) Moral 4) Economic.

22 At heart of Prohibition of Ecstasy - Why can't Western

Culture deal with Ecstasy & euphoria. Disguised as "Public Health" laws/limitations on practice of religion

29 Drug Spite o.d. deaths due to adulterants/contaminants. Health Authorities ignore impurities in products.

Environmental Authorities ignore that they force huge effluent with no supervision.

- Ad injectors vectors for Disease - barbaric practice

1. Backward USA of denying access to sterile syringes.

Prohibition expands the AIDS epidemic

26 Exciting use of LSD Analgesic in end of life patients

25 LSD Hoffman both have medical use in other countries Schedule 1 "No accepted use" probably false pre-1970

27 How could it be Schedule 1 when morphine is legal. Law working to detriment of public health

28 Well 1972 Nearly every culture has prohibiting substances tax on

Nadlerman - govt expends subsidies to illegal drug dealers

Enforcement - passed onto the consumer

Spent Billion on substances - That create drugs state

instead of collecting billions in tax in a regulated market

44 Ben Opoids - A long Back Street - get synthetic hundreds of times more powerful. Fantasy!

45 Controlled Substances Analogue Act 1986 - Any plant

1) animal product could be illegal

2) Drug Treatment - by treating people with respect offer unbiased information and viable alternatives

59 Judeo/Christian Horror - born in sin right to abuse will

Like worshipping the hardware on the dog - forgetting it is a dog

81 Axley - Ayurvedic medicine Sabina

373 Book - Biography of Maria Sabina

28 Public Health Jeopardized by Criminalization of Drugs.

1) imprison /adulterants/ no potency control O.D.

2) meds kept from people

3) research stopped "Kiss of Death" to a career to investigate.

99 Grow your own San Pedro

83 J.A.M.A. Article - Drug War - "A judgment based strictly on the effectiveness and safety of the drug laws would require their immediate repeal or overhaul."

36 Currency paper has hemp fiber - first flag, last. Dec. 1990

37 Were "on drugs" - Naturally - all of the time.

38 - Standard case is Entrapment - Even been shootouts between police groups

39 Propaganda State - Changes the rel. of citizen to state - to the Drug War de treatment of human rights /ind. freedom

41 Amsterdam Narcotics chief - reminds Lem of Gostops We know what we mean. We fight war against our enemies, not with our own citizens.

43 most of 8 or 900,000 busts annually are for simple possession - of pot

42 En force compulsory leads to worse - South America - crop substitution is coca for poppies.

And - as costs of smuggling increase - must go for loads of higher value

44 - Pushing on Cocaine gives you meth labs

45 MORAL - argument for legalization - Nadlerman

46 Drug Laws foster perversion of law enforcement - they become criminals to entrap - to buy & sell, spies, informants. children garbage can. 11

50 - Coca - is nutritious vegetable eaten in the Andes. Caffeine needs no nutrition.

51 Outrageous Foreign Imperialism - justified by drug wars.

52 Drug war sets bad example for youth - opportunity is in breaking law & chance for entrepreneur - not get job

Moral? - Laws like these are immoral

53 Moral - Pot Calling the KKK's black - US Drug Deal Parquet, used prostitutes, made stock piles in violation of patent etc

55 - US govt does direct smuggling torium convert operations
AND us takes taxes from the dangerous drugs Alc/Tobacco
- purges dangerous ones

ENTHROGENS are aversive to Animals - Refuse Them
→ No MORAL base for US actions

57 Economics of it
Huge Costs could become huge tax base and then through
could control quality, purity, price of drugs

⊕ More Economical AND - legal regulation is more effective at reducing consumption

58 hell can't cope with Euphoria, Ecstasy
- Have tricks - Make Enthrogens prescription drugs

⊕ wonderful molecules. represent kind of a crack in the edifice of materialist rationality - Hoffman 1980

60 New world - Braided torture and death to continue with acstatic religion 1620 South American Inquisition

Religious Rivalry is the real problem of western states with Enthrogenic Drugs
- open eyes and hearts to the experience of the holiness of the universe

PHARMACOTHEON

See emptiness / Shallow ness of Judeo / Xian Tradition, Governments, & the Killing of the Planet.

- "counter culture" having direct
61 Protestants - sex should not be enjoyed - No drug use allowed - even herbalists & midwives burned

62 Drug Treatment - haloethal, Opiates, cocaine - Aldous Huxley - is to give them an efficient but white some substitute

64 - Nazis - then Americans - For and LSD on people - to study - truth

65 - Brompton's Cocktail - British Hospices - Heroin, Cocaine, Alcohol
⊕ If patients suffer less will then encompass be shortened?
Caffeine & Nicotine - our accepted stimulants - Amphetamine are superior to Caffeine.

67 Caffeine - impairs hand steadiness - degrades night vision
69 - Salvia divinorum - for outpatient psychotherapy.

Psychoclyne - Cuts recidivism rate of paroled convicts.
⊕ Evolutionary Church - There is a place in the modern world for organized, entheogen based, religions (& shamanistic use).

⊕ RACISM - 52. Book 1975. Drugs and Minority Oppression
70 Inebriant use by humans animals completely natural attempt to control this animal drive bizarre, unnatural

Drug Laws - More troubling result of institutionalizing paranoia
Paranoid CONTROL JUNKIES who have no faith in others or in Human Nature.

72 - Would not be huge drug use if Prohibition repealed & they would not attract the people who need drugs out of rebellion.
90% of adult pop already using drugs

72 Alcohol is far more toxic than heroin - 6 (Burrroughs) Alcohol is Not Compatible with Heroin. So Legalize improve Pub. Health

72 Legal Drugs The Very worst - Carcinogenic, Kill more than 1/2 mil annually, Irreversible Brain diver Damage, & a teratogen - Birth defects. - Heroin does NOT - causes constipation

Also Alcohol → crime → accidental injury
Cost of Alcohol over 100 Billion each year.

73 No what to go but up - Worst drugs legal is turned to Criminals.
govt turns over control of all other drugs to Criminals.

74 Netherlands - legal tolerance control of Cannabis Cost

use nearly in half!

74 Dutch govt succeeding in making Cannabis use boring - as it intended.

Treat citizens as responsible adults. Make all legal hold people responsible. Allow no excuses (intoxication/addiction) for behavior. Absurd-false that they destroy individual will and self control / provides ready made excuse for immoral ~~and~~ or illegal behavior.

Treat citizens as irresponsible children's many will behave so

75 Law has treated entheogens most unfairly - since they are definitely NOT drugs of abuse

- Animals will not touch

75 I instead great promise in Treating addiction (brown spoon) Psyote - good success w/ alcohol / Indians - Totally safe

Canadian govt - OK'd mushrooms use by one group -

77 Precisely Because of our modern knowledge we need Entheogens so desperately. Rediscover the mystery and awe

LOST when we see the universe as matter - not as divine energy

Earth suffering But we belong to the earth our mother - we are formed of the elements / The Earth does not belong to us.

.. Core Judeo evil dualism / domination - of earth and female

77 Contemporary spiritual use of entheogenic drugs is one of humanity's brightest hopes for overcoming the ecological crisis which threatens our biosphere.

ecstasy - let us know what ecstasy is!
