

2 Inquisition - Not a relic but a harbinger of the future
- The Drug War. - Hitler

8) 700 years long.

? - Donna? - call Dave

20 - There were many Inquisitions - no monolithic force.
Inflicted great fear + punished hundreds of thousands

22 20th century - New Stage. Inquisitions with no religious
dimension at all - it translated into the world of secular
government.

33 Gougged out the eyes of 100 Men - left one eye

39 1140 Canon Law First Codified - Sort of "local option"
prior to that

57 Not knowing when to stop: that turns out to be the
central problem of any inquisition. Bureaucracy is not
passive - it is an inertial force - sustaining action
(or inaction) mindlessly.

63 - Don't know how to end it - Inquisitorial dynamic - tends
toward perpetual motion. Its only check is exhaustion.

87 - Bush Administration - Act of ~~for~~ Non-Torture

103 - St Robert Bellarmine - Name of Church Whore
can begin with death

115 Religious Dissidents had the ability to "send their
messages from Beyond The Grave." Took trees
with the printing press

120 yes yes - Enteleger Repression - most like Book
burning. It was an ambitious effort. The

control of intellect and ~~consciousness~~ ^{conscience} on such a vast
scale had never been attempted before.

- what we need is a halt to printing
121 - Like Orwell - memory holes where ideas and information
was sent for disposal.

126 Great Chilling Effects "All the books never written"

130 - obedience - Control - Concern for truth had evolved
into concern for authority and power.

147 - After Columbus - Inquisition from Mexico City to Manila

150 DEA Now Repeating the Inquisition - Exporting
control of the mind + ideas around the world.

To Regulate how people think.

152 - Inquisition fell hard on the new world
The sun never set Mexico City to Manila

178 - Ratzinger - Not so bad, but he was,

188 Modern Europe inherited a fully developed machinery
+ rationale for killing for killing - social control

199 - The Key Principle of Police State is this - Nobody
must remain unknown to police.

214 - wow - History of 600 + 50's spying on Americans

232 - The Church Apology?
Wounds Never heal.

GOD'S JURY

238 WOW to MI-GOD Texas Textbook Requirements

- Downplaying criticism of McCarthy - Say founding fathers
were Christians - AMAZING - consider confederacy

249 Capacities for surveillance are heading in one
direction only.

250 a skeptical view of human nature is embodied in
the US Constitution - for fallible + unreliable
humans - dangerous
