

pg 99 Environmentalism is really a Left wing
C W plot to control behavior and change our system
of government.

Reagan

80% of Air Pollution stems from hydrocarbons released by vegetation.
G. 29
46:30 We are in the hands of Environmental Extremists

pg 90 - wow - Herman Kahn - of "Augustinian Empire" tearing into
Ecologists "class interests" sick - mad man.

Extremists won't be happy till White house looks like birds
Nest

90.38 A years waste from a nuke plant can be stored
under a desk? eh?

130.20 A Tree is a tree, how many more do you need to
look at.

117 Seneca What else is nature but god.
