

Scio

OPTIONS FOR LOW COST ACTIVE RECREATION SCIO TOWNSHIP MICHIGAN,

January 20 2007

For Master Plan and Parks and Recreation Plan Questionnaire

In November of 2004 Scio Township voters passed Proposal J by a 75% margin. A small budget was provided for Scio to purchase land or interests in land, for purposes of agricultural preservation, for open space and natural areas preservation, and to "provide new parks, recreational opportunities and trails".

I propose that we now include only low cost options for active recreation in our survey, since we have yet to procure dedicated funds for the building or maintenance of park facilities. Listing high cost options will unrealistically raise expectations and lead to unhappiness.

(I have reviewed the activities offered at all Washtenaw County parks, Ann Arbor parks and Huron Metroparks, and searched on the web)

WE WANT TO KNOW WHICH ONES OF THESE ACTIVITIES YOU OR MEMBERS OF YOUR FAMILY WOULD ACTUALLY USE (CHECK BOX)

HORSESHOES

MODEL AIRPLANE AREA

DISC GOLF COURSE

BASEBALL FIELD

SOCCER/FOOTBALL FIELD

WALKING TRAILS

NATURE TRAILS WITH
ENVIRONMENTAL EDUCATION

MULTIUSE TRAILS

PICNIC AREA/SHADE TREES/SHELTER
