

xviii Wow Between Brave N.W. and BNW Revised

was his discovery of the peyote/mescaline ^{LSD}
xix. - incredible that minds can be so
radically changed at little cost to the body

xx - Compare BNW + Island Sex, Drugs, Child
conditioning - BNW - sinister instruments of
state control Island - Techniques of Liberation

Book - 26 - Secret of Happiness and Virtue -

↳ liking what you have to do - So they engineer
31 Love of Nature keeps no factories ^{people}

Busy - We abolished it in lower classes.
48 Stability - is the goal - So No emotional stress

51 Old days - had liberty & freedom - to be in-
efficient and miserable. Max out Consumption.

53 After the great collapse - There was a choice
between stability and destruction

54 They were required to consume - a lot!

56 - Force was No Good - New methods

65 Too Stressed - Take Soma 1/2 day, 1 day, 2 day Vacation

78 "Everybody's happy now" was Sleep Trained

96 Marx - Wanted to be an individual, feel emotion

131 Rough day on the reservation? 18 hr / Soma

137 No offense so heinous as an orthodoxy of
behavior! - murder kills only one

149 a Savage Reservation - Not worth the expense
of Civilizing.

150 - No Solitary Amusements

166 - Solitude "They've had a quarter of a
million warnings against solitude.

177 - The Savage - Couldn't handle Letitia's
Open sexuality

"The more science discovers - the more clearly does the mystery of existence stand out"
5) B.N.W. is an anti utopia "radical in its pessimistic view of human nature"

6) Wanted to achieve transcendence while remaining a committed social being. Then escape the self and the here and now into

BRAVE NEW WORLD

realms of pure goodness and pure enjoyment"

9) It now seems quite possible that the horror maybe upon us within AND a single century.

11) Island - published a year before his death

12) Orwell letter - "My own belief is that the rulers

BRAVE NEW WORLD

will find some less arduous and wasteful way of controlling/governing. (Than the 1984 type)

REVISITED

... OR we could have biological or atomic war.
