

Perennial Philosophy - A Metaphysic that  
vii recognizes a divine reality. A Psychology that  
finds in the soul something <sup>underpinning/grounding</sup> identical with  
the divine - an ethic - what? ... is immortal?  
and universal

vii - Knowledge is a function of being. When there  
vii As we grow we store factual utilitarian content  
BUT - with deterioration of the quality of immediate  
perception - a blunting/loss of intuitive power.

5 The Nature of the one Reality - must be known by one's  
own clear spiritual perceptions.

31 Quotes are about a state of consciousness to which  
few people ever come.

10 - Behold Behold but one in all things, it is the  
second that leads you astray.  
the root meaning of "two" connotes badness

11 Negative emotions are fatal to the spiritual  
life. - hate greed envy

14 - Goodness is within us - it's because we  
don't know who we are that we behave so  
poorly.

17 What ever we wish to do we can accomplish  
if human will + motivation is turned  
to it.

20 Direct Awareness of the "eternally complete  
consciousness" - which is the ground of the  
material world is available to a few at any age.

21 WOW More - The Goal of Existence is that  
there <sup>unitive</sup> knowledge of the Divine ground of  
existence / can come only to those willing to "die  
to self" - make room for the one.

23 Old Testament - YES - we attain the unitive  
Knowledge of god only when we become godlike.  
YES - Knowledge of Good & Evil

23 Transformation of Consciousness → improve  
ment in character → full Transformation  
of Consciousness, spiritually

24 - "The Word"? or the oneness "before whom  
words recoil"

27 - Mind over matter - "nervous indigestion" - me?  
THE PERENNIAL PHILOSOPHY  
Lots of physical problems correlate with  
undesireable states of the conscious mind. gut  
back

27-28 - EVE - the PK effect - Telepathy?

42 - whole section - to reach the spiritual oneness  
you must give up the self

49 Most perennial philosophy religions have god  
incarnated in human form.

58-51 Xian insistence on one gods one prophet - led to  
Xian history disgraced with more Crusades, wars,  
persecutions, and imperialism. So Xian's are  
"unjustified" - if its value is to be known by its  
fruits.

299 Argument against renunciation. - Buddhism -  
too renunciate

76 - if god is in the world - nature is sacred. - man  
should be her intelligently docile collaborator.  
Not rapacious dominator.

82 Truth apart from charity is not god image and  
idol

93 - much human culture based on organized  
lovelessness - wreck nature, art, etc

101 WOW "You can get all the mortification you  
want out of the incidents of everyday living."

101-102 - Self Denial. - Proper way to live - Any self  
denial must be inconspicuous, non-competitive and  
Not dangerous. Diet? eat wholesome. / Control tongue  
Maintain Quiet Cheerfulness and mood!

Do not say - what is uncharitable or frivolous

217 - "idle words" impediments in the way of the  
unitive knowledge of the divine ground.  
Guarding the Tongue - is a difficult and  
searching mortification - to so fruitful.
