*** END THE HUMAN RIGHTS DISASTER OF CANNABIS PROHIBITION!**

*** REFORM ALL ASPECTS OF CANNABIS LAW!** We will legalize and regulate adult use, protect and extend medical marijuana rights, and let farmers grow hemp.

*** SUPPORT THE "PEOPLES MODEL",** THE SMALL BUSINESS/LOCAL CONTROL MODEL FOR LEGALIZATION.

*** DEFEAT BOTH "LEGALIZATION" MODELS** THAT TURN CONTROL OF CANNABIS OVER TO OAKLAND COUNTY MONEY MANAGERS.

MILEgalize has the best cannabis proposal ever, which provides comprehensive cannabis law reform.

We also face the greatest threat ever.

Our best financed opponents are a danger to patients. Caregivers will be phased out and 10 companies will monopolize all cannabis growing and extraction. Criminal penalties for cannabis would continue.

LEGALIZING CANNABIS THE RIGHT WAY TAKES MONEY AND SIGNATURES. BEFORE CHRISTMAS WE NEED ONE MILLION DOLLARS AND A QUARTER OF A MILLION VALID SIGNATURES!

We CAN legalize cannabis in Michigan! Let's enjoy its many benefits, combined with jobs, economic growth, and new revenue for government. **Michigan can lead the way** on the question of cannabis!

This is your chance to change history and restore American values, we need YOU!

MONEY OR SIGNATURES? HOW CAN *YOU* HELP?

WILL WE LET MASSIVE MONEY MONOPOLIZE MARIJUANA IN MICHIGAN?

OR WILL WE FIGHT BACK AND WIN WITH MILEgalize?

Please contact the MILEgalize website to donate or volunteer, today! Thank You!
