

- xi) The Authenticity of a religion
 If you try to pass your "spirituality" on to another generation - then it becomes a religion?
- Religion "new belief" spirituality - genuine experience
- 2 Masculine Principle - extends rights & justice
 Feminine Principle - "care & compassion"
- 76 Threat of Entropy - Since - To move to a higher level of adaptation you have to be strong enough to accept the death of your previous level
- 14 - goal - Consciousness returns/recapture the wholeness of the original embeddedness...renew heaven on earth...
- 14 Evolutionary model - "The only view that can handle the evidence."
- 24 Confusions Failings Falsehoods of the "New Age" Movement
- 37 - Good Cosmic Reception/Merge with Cosmos
- 69 There exists a Nested Hierarchy of authentic religions development
- 74 Unconvincing That There was a Better Time a Goddess Golden Age thoroughly
- 80 Consciousness Evolves to higher stage = Evolution from Subconsciousness to Self to Superconsciousness
- 75 Vedanta - 6 levels of consciousness
 "prana - near equivalent of libido."
- 78 Describes "Native Cosmic Consciousness."
- 89 - His basic 7 Levels
 To the extent that the self is separate it has inherent - Fear of Death / ~~against~~ against
- 94 Where there is self there is trembling - where there is other there is fear. - You go beyond fear and trembling by transcending self - going beyond Self and Other - transcending subject and object in Satori, Moksha, the supreme identity. Ego = angst/suffering
- 100 - Forms of Religion Religion as Evolutionary Growth
 Involves dying to each level to go on to higher levels/structures of Truth.
- 102 Authentic Religion - Validates Transformation for

- dimension/level. That is deemed to be the most centrally religious.
- 60s - a Crisis in Authenticity (60's) - when a prevailing world view or religion - is faced with challenge from a higher level view (Challenges legitimacy and authority.)
- WHY Ferocity of Traditionalist Response
- 102 Degree of Authenticity A SOCIABLE GOD - of a religion Refers to the relative degree of actual transformation delivered by - given religion or world.
- More Authentic $\Rightarrow$ Capable of reaching higher level, not merely integrating the present level.
- 103 American civil religion faced a legitimacy crisis in the 60s
 Exoteric, Protestant, biblical myths and nationality symbols.
- 107 - 2nd Great Doubt - Great Enlightenment
- 108 ECME - Religion Experience / Transrational epiphany of insight
- 110 Wm. James "Varieties" - Conclu - The Real wellspring of Religion was not belief or faith - but direct experience.
- All religion began as experience
- ECME - Move quickly from the paradigm of peak experience to the paradigm of structural adaptation.
- 113 ECME - Rationalism will come in the end to a resurrection of spirit. Rational adaptation is perfectly religious.
- 115 Rationalism is a pro authentic religion trend
- 115 Strip Spirit of all infantile associations - Only then can it be approached as spirit
- 118 ECME - The Next Great Transformation - The god within - not the father without.
- 120 Mentions Philosophica Perennis - "Authentic or Universal mystical Union."
- 121 Transcendent Unity of Religions
- 124 Moses Descended from Mt Sinai Sinai to directly challenge Nature worship $\odot$ Sky God Male Priesthood
 - beginning of the great perversion/death love
- The 60's American Civil Religion Fatal Blow - New Age Religions
- $\odot$ Morality - For Social Change there must be a

New source of morality (Sustainability, Compassion)

That ① Desacralizes Present System ECME

② Paves the Way for a New order to appear

Have our Version "Replace institutionalized paradigms
paradigms of reality to become, in turn, new
social blueprints.

128 Idiot conception of the Counter Culture So Negative
Confront it. Show
The True Themes

130 Transpersonal means "Psychic"

130 Judeo/Xian Ethic? - emphasis on personhood and
individuality. - Jewish - God loves individuals?

Rules for real transformation

131 Using LSD - could be authentic yogic/sacred endeavor

6 Biofeedback

To be really transformative you must really betransformative
And have surface structure compatibility with the
current system.
